TOWN HISTORY

THE RUMFORD PRESS
Concord, New Hampshire

January 20, 1927.

Mr. John C. Hutchins, Selectman,
North Stratford, New Hampshire.

Dear Mr. Hutchins:

We are enclosing a statement of account of the Town History of North Stratford with detailed information as to the number of copies printed, bound and sold which we trust you will find satisfactory as per your request.

1,000 copies of the History were printed.

750 copies were bound in black cloth.

These were stamped in gold and are to sell for \$6.00 per copy with 20 per cent off to bookdealers.

250 copies were folded, gathered and bundled for future binding.

Out of the 250 copies that were folded, 12 copies were bound in full Morocco to sell for \$10.00 and 12 copies were bound in half Morocco to sell for \$8.50. Where individual names were stamped on the volume we charged \$.50 for this.

Circular letters, together with a prospectus of the History, with order blanks and return envelopes, have been sent to the principal libraries in the United States and all the libraries in New England. These have also been sent to lists of names furnished by Rev. Edward M. Fuller and Mr. John C. Hutchins.

The attached statement gives the number of copies sold and address to whom sold and amount collected for each. Please note that all copies have been mailed out by insured parcel post and where the money was not attached to the order we have billed the postage to the person subscribing to the book. We are also attaching the statement from Mr. John C. Hutchins which was sent to us for books that were sold through him and amounts credited to the account. You will also note that the check for \$67.00 was endorsed on the note due August 17, 1926, and that the note due at that date was replaced by a note for \$3637.42 and interest which will be due April 1, 1927.

To further the sale of the History we would suggest that you have the town canvassed thoroughly, also that the libraries in New Hampshire and New England that have not all ready subscribed be circularized thoroughly again. It would be advisable to put an advertisement in the New England Historical and Genealogical Register, 15 Ashburton Place, Boston, Massachusetts, advertising the book. We also suggest that a free copy be sent to the Genealogical Editor of the Boston Transcript together with a request that he review it in their Genealogical Edition which comes out each Wednesday.

Very truly yours,

THE RUMFORD PRESS,

CARLTON M. STRONG,

Asst. Sales Dept.

Respectfully submitted,
RALPH M. HUTCHINS, Treasurer.

To Whom it May Concern;

You will note as in former years that the Treasurer is not reporting the School orders covering the remainder of three years appropriation, as "Outstanding." The orders have been paid to the School Treasurer, as recommended by the State Tax Commission in the report of their recent audit of our books.

This is to certify that we have this day, the 18th of February, 1927, examined the books of Ralph M. Hutchins, Treasurer of the Town of Stratford, N. H., and find the same to be correct. Disbursements supported by proper authority.

JAMES E. MASON,

HARRIETTE H. HINMAN,

Town Auditors.
